Fundraising Sub-Committee Member
6-10 people required (non Trustee positions)

These persons are part of the team supporting the Fundraising Co-ordinator. Ideally the team will split into smaller groups for individual events meaning not everyone needs to get involved with every fundraising project.

- Work as part of the sub-committee team to brainstorm new ideas for fundraising opportunities for the Group
- Identify how these can be fulfilled, and take the lead on projects, particularly those you may have put forward yourself.
- Provide the support in planning and implementing projects. This covers many areas that can also be done remotely for someone will less time to commit to core meetings. Examples are:
    - Taking bookings/Issuing tickets for events
    - Helping with administrative tasks
    - Designing publicity material to pass to the Communications Team
    - Craft/design work associated with fundraising requirements
- Be part of a core group at various events for the requirements needed, e.g. catering, money collection, crowd supervision etc, which are often specific to the event.
